WELCOME TO OHIO CITY

Ohio City is Cleveland's complete neighborhood. Home to nearly 10,000 residents, over 250 local businesses, significant cultural institutions such as the West Side Market and Saint Ignatius High School, and historic homes and attractions, Ohio City is a thriving urban neighborhood that can meet all of your needs. We welcome you to explore the neighborhood with this map as your guide to all the neighborhood has to offer.

HISTORY

One of Cleveland's oldest neighborhoods, Ohio City (City of Ohio) was originally part of Brooklyn Township, founded in 1818.

On March 3, 1836, two days before Cleveland's incorporation, the City of Ohio became an independent municipality.

It remained so until June 5, 1854, when it was annexed to Cleveland. Ohio City residents fought in the "Battle of the Bridge" to stop use of Cleveland's new Columbus Street Bridge, which siphoned off commercial traffic to Cleveland before it could reach Ohio City's mercantile district.

OHIO CITY INCORPORATED

Ohio City Incorporated leads the development of Ohio City by serving a diverse community of committed people, driving new investments in and preserving the history of a unique place, and promoting an authentic urban neighborhood.
